

A Call to Action from No Kings.org:

Saturday, October 18, 2025

In Hartford: 12 – 2pm EDT, Connecticut State Capitol, 210 Capitol Ave.

In New Haven: 3 – 5pm EDT, New Haven Green. 250 Temple St.

And in multiple other locations throughout Connecticut and throughout the country, listed on the No Kings website at <https://www.nokings.org/#map>.

In June, we did what many claimed was impossible: peacefully mobilized millions of people to take to the streets and declare with one voice: America has No Kings. And it mattered. The world saw the power of the people. President Trump's birthday parade was drowned out by protests in every state and across the globe. His attempt to turn June 14 into a coronation collapsed, and the story became the strength of a movement rising against his authoritarian power grabs.

Now, President Trump has doubled down. His administration is sending masked agents into our streets, terrorizing our communities. They are

targeting immigrant families, profiling, arresting and detaining people without warrants. Threatening to overtake elections. Gutting healthcare, environmental protections, and education when families need them most. Rigging maps to silence voters. Ignoring mass shootings at our schools and in our communities. Driving up the cost of living while handing out massive giveaways to billionaire allies, as families struggle.

The president thinks his rule is absolute. But in America, we don't have kings and we won't back down against chaos, corruption, and cruelty.

Our peaceful movement is only getting bigger and bigger. "NO KINGS" is more than just a slogan; it is the foundation our nation was built upon. Born in the streets, shouted by millions, carried on posters and chants, it echoes from city blocks to rural town squares, uniting people across this country to fight dictatorship together.

Because this country does not belong to kings, dictators, or tyrants. It belongs to We the People - the people who care, who show up, and the ones who fight for dignity, a life we can afford, and real opportunity.

No Thrones. No Crowns. No Kings.

A core principle behind all No Kings events is a commitment to nonviolent action. We expect all participants to seek to de-escalate any potential confrontation with those who disagree with our values and to act lawfully at these events. Weapons of any kind, including those legally permitted, should not be brought to events.
