About this event: a statement from the organizers

We have the power and are claiming it together. No Thrones. No Crowns. No Kings.

This country does not belong to kings, dictators, or tyrants. It belongs to We the People — the people who care, who show up, and who fight for dignity, a life we can afford, and real opportunity. Hear from community leaders, connect with local organizers, and learn how to take action beyond this day. This is the start, not the finish—Make your voice heard on 3/28 and beyond! Inspired by the cross-sector solidarity from Minneapolis to the coasts, we're forging a united front of all people: No single group can counter the scale of coordinated authoritarian threats alone, but together we can, we are unstoppable.

Join us! Bring your friends, your signs, and your voice. Stand Up CT! Stand with the Movement! Stand for No Kings!

A core principle behind all No Kings events is a commitment to nonviolent action. We expect all participants to seek to de-escalate any potential confrontation with those who disagree with our values and to act lawfully at these events. Weapons of any kind, including those legally permitted, should not be brought to events.

Silence is not an option!
